

# Grenada Continues Topicals Issues

Always a source for topical collectors, the West Indies island of Grenada, and its affiliated islands, got 2014 off to a colorful start with this sheetlet of Blossoms and Plants.

On the same date Grenada Grenadines (Grenada Carriacou & Petite Martinique) came out with a History of Chess souvenir sheet depicting four ancient chess pieces; and single-stamp sheetlet featuring a detail from the Sistine Chapel ceiling that was one of Michelangelo's greatest works.
