

# MINT U.S. SAMPLER SALE LIST

## There's More! Want Lists Welcomed!

As always, in addition to new finds, I once again went through the unsold lots and reduced the prices. More than 90% of these listings—and almost all of the better items—are one-of-a-kind lots, so to have your order completed in full, please order early and try to send along an alternate list.

In addition, we can't fit our complete stock into this list, so if there are items that you seek you do not see here, feel welcome to send us a want list. We'll let you know what we have and the price. **There's no obligation on your part.**

### Most lots are one-of-a-kind, Alternate list suggested

Photo lots are bold faced—see page 3 for photos
